ABOUT US

REGISTERED NGO

SHIVIR stands for Self Help Initiatives for Vocational Inputs and Rehabilitation. Established in 2007 as a public charitable trust, we empower women through upskilling and augmenting livelihoods.

We help build a better future for our beneficiaries and their families,

OUR APPROACH

Our goal is to empower women through focused vocational training and skill-building that fosters self-reliance and financial stability. SHIVIR FESTIVE COLLECTION

This festive season, **celebrate with purpose.**

Products in our Diwali Collection are handcrafted by women beneficiaries from diverse communities across India, each piece carrying the story of resilience, tradition, and skill.

At SHIVIR, we believe that empowerment begins with opportunity.

The proceeds from your purchase go directly towards training, upskilling, and the welfare of women artisans and their families, helping them build sustainable livelihoods and brighter futures. These are not mass-produced items—they are limited, handmade creations, crafted with care, time, and heritage techniques. The price you pay reflects not just the product, but the dignity of labor, the preservation of craft, and the empowerment of women who make them.

This Diwali, help us light up lives! **All sales proceeds go to fund our ongoing projects SWAVALAMB and SASHAKT**
